REALTY EXECUTIVES INTERNATIONAL PARTNERS WITH LONE WOLF
Software Solutions Offered to Local Brokers to Manage Real Estate Franchises More Effectively

PHOENIX – Realty Executives International now exclusively offers Lone Wolf Real Estate Technologies accounting software solutions.

Lone Wolf provides a full suite of products including a complete back office and web-based front office system. Its flagship program is a brokerage application designed to manage all accounting and back office functions of a real estate office, called RMS (Realty Management System). The company also offers an all-inclusive franchise management software program.

“This simple, yet comprehensive program gives local brokers the ability to handle everything from listing inventory, transaction processing, Agent management, accounts payable and accounts receivable all the way down to financial statements,” said Glenn Melton, chief operating officer at Realty Executives International.

“We’re pleased to be able to partner with a company we can trust to offer our brokers a reliable solution to this important and essential daily responsibility.”

Realty Executives International, Inc. is one of the fastest-growing real estate franchises in the United States, with more than 15,000 sales associates and over 800 franchises. The Phoenix-based, privately held company has offices in the United States, Canada, South Africa, Mexico, Costa Rica, France, Greece and Thailand. Publications like *Entrepreneur*, *Success* and *Inc.* magazines have recently ranked Realty Executives International as a leader in the real estate industry based on franchise growth, management stability and financial soundness.
